

BOY SCOUTS OF AMERICA

July 7, 2010

Dear Scout Leader,

2010 marks the 100 year anniversary of scouting and this year's Glaciers End Fall Camporee will ensure that 2010 is a year to remember in scouting. The Fall Camporee will center around 52 miles of biking in the beauty of Northwest Wisconsin.

The Camporee will be hosted by Troop 72 out of Chippewa Falls. We'll be biking from Chippewa Falls to Brunet Island State Park in Cornell and then back. We'll be working on the Biking Merit Badge while fellowshipping with other scouts, troops and friends. There will be time for swimming and of course the traditional Saturday evening Camporee Campfire will take place on the banks of the Chippewa River at Brunet Island.

The Glacier's end district invites all troops from the council to join with us as we make this trek. The dates are August 20-22. The cost is just \$5 per person to enjoy the adventure of biking on the Wisconsin Old Abe Bike Trail.

So, hold the dates, read the flyer to get all of your questions answered, and send in the reservation form by August 13<sup>th</sup> to reserve a spot for your troop.

Please call me, or email me if you have additional questions about the Camporee.

We look forward to seeing you on the trail !
