

## Come to the Glacier's End Fall Camporee!

When: Sept 21 - 23

Where: Chippewa River & Cadott Fest Grounds

Who: Boy Scouts and WEBELOS I

Why: To have an amazing time camping and having fun.

Cost: \$10 per Participant

The Fall Camporee will be a Chippewa River Clean up. The hope is that we will clean up the Chippewa River from Holcombe to Chippewa Falls. Each troop will be assigned a section of the river, to pick up trash. This should be a great opportunity for scouts to master their canoeing skills as well as see a part of Chippewa County that most have not seen before. We will be base camping out of the Cadott Fest grounds. Saturday morning every troop will load up and disperse to their section of the river. Each troop will eat lunch on the river. Everyone will return around 6:00 to cook supper and share stories about the day. Our Camporee will be an official Leave No Trace Backyard session. All across America people groups of people are doing conservation projects in the name of Leave No Trace, our camporee will be a part of that. <http://lnt.org/get-involved/backyard-sessions>. Also, the Camporee will count for messengers of peace service project. Every participant will receive the Messengers of peace ring for their world crest. <http://scoutmessengers.com/>. On Saturday night Troops will compete for the traveling Golden Ladle in a dessert Dutch oven cook-off shown on the right. Thanks to Derik Beardshear for mounting the ladle and engraving the new traveling trophy.
