Yes, next Sunday, Feb. 16, is SCOUT SUNDAY!

This is our ONE TIME a year that the whole church gets to see how their investment in our troop is paying off. The church helps us with meeting space, van use, financial assistance, and supplies us with lots of great adult leaders. So we REALLY NEED every Scout there if at all possible this Sunday to thank them and show them what Scouting is all about.

SPL Jacob Harvey will be running the flag ceremony at both services. Hopefully we'll have a troop bugler for "To the Colors" and "Assembly." We'll have a great five-minute slide show recapping the last year for all to see, and we'll have a quick "State of the Troop" address to let everyone know how 2019 went.

There will be a Sunday School music opener in part of the fellowship hall 9:00-9:20, so we'll have to be quiet during that time. Then at 9:20 we can take down the dividers and set up the rest of the tables.

BOTTOM LINE -- show up at 7:15 to help get the cooking started, stuff inserts into bulletins, set up the mock campsite, and do other last-minute prep before the 9:00 service. We'll probably be busy until about 1:30 p.m. Remember that each boy will get money in his Scout account depending on how much donations we get, and how many hours you work.

Responsibilities:

- SPL Jacob Harvey -- opening ceremonies, overall organization of cooking/serving/cleaning
- ?? -- ushers and greeters
- Various adults - making coffee, buying food

(See the more detailed schedule to be sent via email.)

See you Sunday!
