Details: The Klondike Derby is one of the most exciting campouts of the year! For those who haven't been to one (we haven't been to one since 2016), a klondike derby is an event where each patrol pushes around a big home-made sled. (We'll need to either find some old sleds or build new ones, or pull a regular sled with a rope.) The sled contains things like a first aid kit, matches, blankets, knives, and pots. There are string-burning contests, sled races, tight-rope gold-scooping, the Ravine of Death, ax skill tests, and boiling water – all outdoors, just like the real Alaskan Klondike! There are also races and other competitions to test your agility. (See our "Troop72.com" web page for links to more information.)

It will be held at Camp Phillips, about an hour's drive up Highway 53. We will have one of the cabins in the winter camp area, with gas heat and a kitchen area. Scouts are welcome to try sleeping outside, too!

Retain the above information and return the form below with any money by 7pm on **Monday, Jan. 15, 2018.**
