Details: It looks like we might actually get to do some ICE FISHING on our annual Ice Fishing campout! Safety come first, of course; if there's any doubt about the thickness of the ice, then the PLC will plan something else to do. But so far, it looks like perfect ice fishing conditions! We have the Baden-Powel cabin reserved, which features a full kitchen, fireplace, two bathrooms, and even a SHOWER! Some Scouts will undoubtedly decide to sleep outside, so bring gear for that if you want. Retain the above information and return the form below with any money by 7:00 p.m. **Monday, April 2.** (We'll be buying food at the meeting that week.) (Note: I'll be in California that week, but fortunately, we have an expert ice fisherman, Mr. Cory Krizan, who will be leading this trip.) (But we still need a second dad, and someone to haul the troop trailer.)
