Details: Many of us in Troop 72 are going to Philmont this June for a 16-day high-adventure, high-altitude backpacking trip. So we're going to do another test run this weekend - two days of fully loaded backpacking, with one night of camping in between. We will meet at church Saturday morning, drive to the Ice Age trail near Plummer Lake, drop off a shuttle car at the Chippewa River (20 minute drive), then hike 8 miles East to the campsite at Picnic Lake. (First time at this spot for most Scouts!) This is a great little lake with clear water for drinking and cooking (better than Harwood Lakes).

On Sunday, we'll get up and continue hiking east 11 miles to the Chippewa River, go retrieve our vehicles at the start, then drive home. We stop for ice cream in Cornell afterward, so bring money just in case.

We're going to keep it simple again and just have **EVERY PERSON BRING HIS OWN FOOD**. So feel free to get creative! We should have a couple of backpacking stoves available for boiling water.

You must have a **good backpack with a padded hip belt** capable of carrying all your gear. The troop now owns a couple of loaner backpacks. Remember to **PACK LIGHT** when backpacking (but don't forget a rain coat and pack cover). Permission slips and fees are not due until we leave. As always, class "A" shirts are required for travel, and red "action" troop shirts are required for on the trail.
